

## **ADDENDUM 2**

Bid No. TI-2026-002

Parking Field #10 Expansion Project

Issued: 1/29/2026

This Addendum forms part of the Contract Documents and shall be acknowledged with the bid. All other terms and conditions remain unchanged.

### **QUESTIONS AND ANSWERS**

**Q1.** Does this project require a Bid Bond? I am not finding any information regarding this.

**A1.** No bid bond is required for this project.

---

**Q2.** At the northeast side of the parking lot where the parking meters are located, will the concrete walkway that the parking meters are set in be removed and redone, and will the parking meters be protected and stay in place?

**A2.** All existing parking meters shall be removed by the Contractor.

---

**Q3.** Which other contractors who already have contracts with the Village will be involved with the project?

**A3.** No other contractors will be working on this project, with the exception of the third-party contractor responsible for installation of the master meters.

---

**Q4.** The parking meter(s) which will have to be removed — will the Village be responsible for the removal?

**A4.** No. All existing parking meters shall be removed by the Contractor.

---

**Q5.** Will permits be required in order to work on Washington Avenue?

**A5.** No permits are required.

---

**Q6.** Google Maps shows an existing home in the proposed parking lot area. The drawings and specifications indicate that the contractor is responsible for all demolition. Is this house currently existing/standing? Please provide insight regarding current conditions.

**A6.** The house formerly located at 68 Washington Avenue has been demolished and the site has been backfilled.
